

How To Download Your Child's Seesaw Journal

Your child's seesaw journal follows them through their time at Avenue, moving up through the years with them. If you wish to download it, please follow these instructions:

1. Log into your child's Seesaw account at <https://app.seesaw.me> - a laptop or computer would work best.
2. Click your **Profile Icon** on the top left.
3. Click **Account Settings**.
4. Scroll down and click **Download Journal Archives**.
5. Click the **Download Journal** button for the journal you want to download – their journal is split into different years.

If you have any queries, please email the school office with the subject being Seesaw so it can be forwarded on. For children leaving the school, the journal continues to be downloadable for 60 days after the child's account is archived.
