

ECO MONITORS CHECKLIST

In your classroom please remember to check:

- All paper that can be used again is put in the **scrap paper drawer**.
- All paper and cardboard that can be recycled is put in the **green recycling bins**.
- When the green bin is full it is emptied into the **blue bins** in the hall.
- The **lights are turned off** when you leave the classroom.
- The **computer and white boards** are switched off at the plug when not in use.
- The **radiator thermostat** is at the correct temperature for the weather.
- If you **open a window** the radiators are turned down.
- **Taps** are not dripping.
