Introduction

At some stage, all schools are likely to need to make appropriate support and provision for children in the care, whether that is for a child looked after by Leicester City or by any other local authority.

The governing board and staff of Avenue Primary School is committed to providing quality education for all its pupils, based on equality of opportunity, access and outcomes. This governing board and staff recognise that, nationally, there is considerable educational underachievement of children in residential and foster care, when compared with their peers, and is committed to implementing the principles and practice, as outlined in "Guidance on the Education of Looked After Children" (May 2000) and Section 52 of the Children Act 2004.

Children who are "looked after" may be "Accommodated" "In Care" or "remanded/ detained" as follows:

Accommodated (Section 20) This is a voluntary arrangement, because parents are ill, missing, unable to cope, or as part of a child protection plan negotiated with the family. The parents retain parental responsibility.

Care Order (Section 31) or Interim Care Order (Section 38)- A child is in care only if a court has granted a Care Order which it will issue if it believes a child to be suffering or likely to suffer

significant harm. A care order generally gives parental responsibility to the local authority, or shares this with the parents.

Remanded/Detained

A child can be remanded or detained as in the following:

- an emergency protection order
- removed by police using their powers of protection
- remanded by a court following criminal charges
- a court directing a social services department to accommodate a child (already on a supervision order for criminal behaviour) for up to six months.

Looked After Children may (or may not) have some or all the following issues:

- low self-esteem, lack of confidence and have a negative response to praise;
- poor educational standards due to time out of school;
- delayed social/emotional/ cognitive development;
- be bullied or bully others;
- be prone to mental health issues;
- be isolated with few friends;
- have behavioural challenges;
- poor attachments to others.

This makes them an extremely vulnerable group in terms of education and future life-chances.

Our key principles are:

- Prioritising education
- Having high expectations
- Ensuring inclusion –changing and challenging attitudes
- Achieving continuity and stability
- Ensuring early intervention –priority action
- Listening to children.

The governing board and staff of Avenue Primary School, is committed to ensuring that these children are supported as fully as possible and will ensure that the following are in place, and are working effectively:

- a Designated Teacher for Looked After Children

- Personal Education Plans for all Looked After Children (PEPS).
