September 2026

Year 3 and 4 Trips and Visits 2026 – 2027

Dear Parents and Carers,

Trips, visits and visitors to school are an important part of the children's learning, putting their knowledge into a real-life context and seeing how it applies to the world around them. As part of our timetable of trips and visits for this academic year, the table below outlines those that have been planned in so far.

Where we are not yet able to book this far in advance, we have included the term that it will take place in and an approximate cost. More detailed information will be added to the school website on the 'calendar' as well as further details sent via email in the few days before the date of visit. For any further additional trips or visits, we will give you as much notice as possible.

Where a payment is required, the closing date for this will be ***three weeks*** prior to the visit date. **If your child is eligible for the Pupil Premium Grant, you will pay a reduced cost.** Payment for the visits will be available online once we have a cost confirmed. When a cost isn't confirmed, we will notify you when the amount is confirmed and the payment becomes live. Please pay online at www.schoolmoney.co.uk. Any problems or questions regarding payment, please contact the school office.

When travelling by coach, the coach will be fitted with seatbelts, and will always sufficient first aiders on the visit. We ask, for visits that require packed lunches, that they do not contain nuts or nut products, glass bottles or fizzy drinks please.

As an Eco-School, we are always striving to reduce the amount of paper that we use. This letter is for your information only; to give permission please complete the online form. By signing, you are giving permission for your child to attend all of the trips and visits mentioned. If you wish to give your consent to further trips and visits that maybe planned in, please complete by ticking the relevant box. If you would like to volunteer to support on any of the trips mentioned, please indicate that on the online form – nearer to the date of the trip we will contact you to confirm if we require a volunteer.

In order to prevent food waste, we will be contacting those parents whose children are entitled to a free school meal to ascertain if they wish to have one or whether their child will be having a packed lunch from home for each trip or visit, where one is required.

As part of our learning this year, we may use a film to enhance this – permission to watch a PG film at school will also be included on the trips and visits forms. You will be notified of what the film is in advance as well as when we will be watching it, in case you wish to withdraw your child. All films used will have be watched previously by the class teacher and will be linked to our learning.

If you have any questions, please do not hesitate to contact me at the email address below.

Yours sincerely,

M. Saunders *R. Ross*
