

RE: A Visit to the temple

The children will learn about the mandir and explore some of the religious artefacts. They will also have the opportunity to ask questions about Hinduism, **but will not be expected to take part in any form of worship.**

History – Viking Day

The children will be invited to dress up and engage in a wide variety of activities linked to Vikings and Anglo Saxons.

History: Jewry Wall

Roman Workshop

The children engage in a range of activities including handling Roman artefacts, learning about everyday life and learning more about the impact of the Romans in Leicester.

Science: Local Area Walk

As part of our science learning, the children will look at the habitats and the signs of the seasons in our local area. The children will observe and sketch the things they see.

Geography: VR Workshop

To support our learning about volcanoes, we have invited Prime VR to take us on a virtual tour of a range of different volcanoes.

It gives the children a great view and an unforgettable experience!

Science - Conkers

To further investigate habitats, we will visit Conkers to take part in pond dipping and habitat investigating activities. They will also be invited to take part in a barefoot walk and travel on the train.

Music – Orchestra Unwrapped

The children will learn some pieces of music and then visit De Montfort Hall to take part in an interactive performance with a professional orchestra.

STEM – Lancaster Academy

**Year 4
Only**

The Year 4 children are invited to visit Lancaster Academy for a day exploring different aspects of Science, Technology, Engineering and Maths. They will design and make a fabric bag and construct a bug house. They are also invited to stay for lunch.
